FOCUS AREA Committees (FAC)

- **Arts, Culture, & Preservation**: initiatives that cultivate, develop, educate, preserve, and enrich the theater, museums, both visual and performing arts and literary opportunities
- **Environment & Animal Welfare**: initiatives that (1) improve, enhance or restore the surroundings in the Greater Indianapolis area; (2) encourage research, public awareness and education relating to the environment; (3) promote conservation of our natural resources; (4) restore, preserve, revitalize or enhance recreational facilities, and/or (5) promote animal welfare.
- **Education**: initiatives that advance learning opportunities and improve education
- **Family**: initiatives that strengthen and enhance the lives of children and families
- **Health & Wellness**: initiatives that improve mental and/or physical well being

You must indicate which FAC should review your project on the LOI.
Base your choice on the project, not your organization.

The Grant Process

- Determine if your project fits within one of our focus areas. If your project isn't a clear fit, you may submit an LOI but may not be invited for a grant application.
- Four Step Process - Overview
  - Letter of Intent – due December 11, decisions made February 22
  - Full Grant Application – due on March 12, decisions made 1st week of April
  - Site Visits – scheduled April 12 - April 23, finalists alerted May 3
  - Final presentations and vote at our Annual Celebration Dinner – June 8
- Timeline is also outlined on our website: https://impact100indy.org/grants/calendar/
- Generally speaking, we prefer to be a primary project funder

The Letter OF Intent (LOI)

- Letter of Intent due by 5:00pm EST on December 11
  - LOI Form is on our website: https://impact100indy.org/grants/process/letter-of-inquiry-loi-form/
  - Follow the instructions carefully. No word or character counts, but must limit form to 5 pages
  - Must be a 501(c)(3) or 509(a) – if you don‘t have a designation letter please wait until next year (may use sponsor with a 501(c)(3) or 509(a), but must have agreement confirming sponsorship)
  - Focus of operations must be in Marion, Hamilton, Hancock, Shelby, Johnson, Morgan, Hendricks or Boone County
  - Select your Focus Area Committee – Base your choice on the project, not your organization.
    - Be sure to thoroughly read all directions and do a final check before submitting
  - We will reply to your email to let you know we received it
- We usually receive between 70-100 LOIs, although last tear received 136
- LOIs are distributed to the Focus Area Committees for review

The Letter of Intent (LOI)

- LOI is your opportunity to sell the committee on your concept
- FACs are looking for projects that are **innovative** and **address critical needs**
- Use the LOI to paint a picture of how your project will make a difference
- We are not staffed to answer questions throughout the process – today is time to ask
- We are not staffed to provide updates on the status of your LOI – please don't ask
- Focus Area Committees spend about a month reviewing LOIs
- FACs usually choose between 20-30 organizations to invite for full grant application
- We will let you know in February whether your organization is invited
- We only accept grant applications from nonprofits invited to submit them – all others are destroyed without reviewing

The Gant Application

- Application is not on the website – we do not accept unsolicited applications
- The link for the online Grant Application will only be sent to nonprofits invited to submit a full application
- Full grant applications are due on March 12 by 5pm
- Focus Area Committees spend about a month reviewing
- A few organizations from each FAC are then asked for a site visit in April
- After the site visits, the FAC's each nominate one finalist (5 committees, 5 finalists)
- Finalists attend a gathering with the Grants Committee in May to learn about the final presentations to be given at the Annual Dinner in June

Annual Celebration – Grant Awards

- Entire membership of Impact 100 gathers for the event
- Finalists each give a 7 minute presentation to the membership – no visual aids, no handouts, no clients, no Q&A
- Membership votes on the spot (Shark Tank!)
  - Note: Absentee ballots are collected ahead of time from those unable to attend
- $100,000 Change Maker Grant is awarded to the nonprofit with most votes
- Community Support Grants are awarded as UNRESTRICTED funds to the remaining finalists
  - Example: if $180,000 is available, Recipient gets $100,000 and other four finalists each receive $20,000
- There usually are media interviewers at this event. If you win, a representative from your organization will be expected to speak to the press.

What Happens AFTER the Annual Celebration?

- Change Maker Grant is paid in installments following grant agreement:
  - Grant recipient submits grant agreement with milestones, due dates, and amount to be paid milestones are met
  - Recipient submits interim reports when milestones are met
  - Impact 100 Grant Committee reviews interim reports and authorizes installment payments
- Other four finalists receive Community Support Grant check at the Annual Celebration Dinner, and must provide a grant report at the end of the calendar year describing how grant was used and its impact on the organization and its community
- All five finalists are expected to attend several events during the next year to update our membership about their work
